

Organic Farm Knowledge Newsletter

November 2020

Dear reader,

The Organic Farm Knowledge platform (organic-farmknowledge.org) provides access to a wide range of tools and resources about organic farming that can help improve production.

We are pleased to share our third newsletter with you. Featured here are the latest tools, videos, events and news available on the platform. We look forward to sharing more news with you in December!

New tools

- Free choice feeding - an alternative feeding method for laying hens, OK-Net EcoFeed Practice abstract, 2020 (EN): <https://organic-farmknowledge.org/tool/38443>

New videos

- On-farm soy processing – toasting soy for pig fattening, 2020 (DE, subtitles in EN and FR): <https://organic-farmknowledge.org/tool/38556>

Further news

- Future of organic animal husbandry in Europe, 2020 (EN): <https://organic-farmknowledge.org/news-events/news/detail/future-of-organic-animal-husbandry-in-europe>

Upcoming organic events

- Online seminar "Connecting and innovating the organic fruit production", Online – December 3, 2020: <https://organic-farmknowledge.org/news-events/news/detail/connecting-and-innovating-the-organic-fruit-production>
